“For most people, a home loan is the single biggest investment that they will ever make. Therefore, you must choose an experienced lending professional and a reputable company. As a Senior Loan Officer who specializes in all forms of residential mortgages, I help my clients manage their home finances through a variety of loan programs with their best interest in mind. There is rarely a scenario I have not seen or a problem I cannot overcome. Together with my expertise and the proficiency of the team at Keller Mortgage, you will be provided the best lending experience possible.”

Why you'll love working with Brian and his Team:

Experience: Brian began his career in the real estate field at age 13 working for his father's Title Company. He has been originating residential loans since 2003 with over \$150 million in closed home loans.

Customer Service: Brian will work alongside your processor and underwriter to be sure you are taken care of every step of the way. Quick responses, a high level of customer service and the ability to multi-task ensures you are in good hands.

The Right Mortgage Package: Our clients love our low rates, no lender fees, upfront costs and no PMI options. We truly work hard to offer the right mortgage package tailored to fit your buyers' financial goals. Loans are not one size fits all, we make sure to review all available loan options to ensure the best fit for each customer.

Availability: Making it easy to communicate throughout the process is a priority. We are quick to send alerts and updates in real time. If something does come up Brian will be available after hours to take your call and will work to find a solution to keep the process moving.

On Time Closings: Our clients are very important to us. With our business model and team concept, we strive to get the job done quickly and efficiently. We have designed a system meant to expedite the loan process and ensure on time closings.
