“Throughout my career I’ve asked the simple question, “how would I want to be treated as a client?”. My approach to the loan process is personable, honest, and sincere. I listen to your financial goals and use my thorough knowledge of the loan process to create the perfect mortgage for you. My clients deserve the best service and attention and that is exactly what I provide. I have had the privilege of working with and originating over \$100 million in residential mortgage loans.”

Why you’ll love working with Brian and his Team:

Experience: Brian has over 16 years in the Mortgage Industry, with over \$100 million in closed home loans.

Customer Service: Brian will work alongside your processor and underwriter to be sure you are taken care of every step of the way. Quick responses, a high level of customer service and the ability to multi-task ensures you are in good hands.

The Right Mortgage Package: Our clients love our low rates, no lender fees, upfront costs and no PMI options. We truly work hard to offer the right mortgage package tailored to fit your buyers’ financial goals. Loans are not one size fits all, we make sure to review all available loan options to ensure the best fit for each customer.

Availability: Making it easy to communicate throughout the process is a priority. We are quick to send alerts and updates in real time. If something does come up Brian will be available after hours to take your call and will work to find a solution to keep the process moving.

On Time Closings: Our clients are very important to us. With our business model and team concept, we strive to get the job done quickly and efficiently. We have designed a system meant to expedite the loan process and ensure on time closings.
